It's hard to tank your entire game around one choice, but the alien threat is still very real and needs to be dealt with carefully.. The XCOM organization in XCOM 2 takes a decidedly different approach to dealing with the alien menace than it does in XCOM: Enemy Within. [Anti-Spyware für Mac herunterladen](#)

It's pretty easy to deduce what kinds of things each choice might uncover if you look through the report on it in your Science department.. 1 Constant research is super importantIf your science team is ever idle in XCOM 2, then you're doing it wrong.. They're also fast, generally taking no more than three days Beyond that, read through your research options and pick the ones that seem to lead toward the kinds of breakthroughs you'd like to see.. [View Entire Discussion \(5 Comments\)](#) More posts from the Xcom community This guide focuses specifically on your base and global strategy in XCOM 2.. Here are some tips to help give your base — and your resistance efforts — a big boost as you move from battle to battle.. It's not easy Your on-the-ground skirmishes move the war effort forward, but claiming ultimate victory over the invaders also requires a higher level of strategic thinking.. Instead of bunkering down in an underground base, the scrappy alien fighters stay safe from gray-skinned baddies by taking to the skies in a badass mobile base called the Avenger.. War is hell, even for the pencil-pushers In XCOM 2, you've got to lead a resistance effort in pushing back against alien invaders that have taken over the Earth.. Research is your path to getting better gear, including basic upgrades to the weapons and armor that everyone uses.. Definitely prioritize Elerium research once it's available, as that leads into some critical discoveries. 34bbb28f04 [Expansion Serial Number](#)
